the hook-up

Your inside connection to young Hollywood

Kashmere Robes. These are, by far, one of the world's most comfortable robes. Just ask Diane Keaton, Marcia Gay Harden and Holly Hunter; all of whom received the \$125 pieces of heaven in their Oscar nominee gift bags.

PINK Positive

The Sak Pink Ribbon Satchel — this pink woven handbag is a favorite of actress/singer **Mandy Moore** and retails at \$69.

October is Breast Cancer Awareness Month and, in recognition of it, The HOOK-UP and www.distinctiveassets.com are hookin' up one lucky reader with a gift basket filled with goodies that promote awareness and research for the cause. Check out the fabulous contents that let YOU be fashionable while demonstrating your support for breast cancer awareness.

Message Connection — these bracelets, ranging anywhere from \$400 to \$1,500, are stylish ways to show your sentiments.

LISA RINNA

Karen Klein Tuscan Rose Candle — this wonderful wax is sure to light up any room with its delicious rose and geranium flavored scent. **Elisabeth Rohm, Dolly Parton** and **Lisa Rinna** have all discovered its delight. Retail at \$30.

Invicta Baby Lupah — this \$375 Swiss chronograph watch made an impression on **Missy Elliott**. With its leather band and cute face, who wouldn't love it?

Vavamojo! **Vanessa Williams, Anne Heche** and **Angie Stone** are all into this limited edition **Prince Charming** pendant, which comes with a pink crystal at the tip and retails at \$100.

An almost unrecognizable **Josh Hartnett**, sporting a mustache and baseball cap, joined the many designers, celebrities and fashionistas at Fashion Week in New York City. When asked about his attendance (which

happened to be Josh's first time), the "Wicker Park" hottie replied that a "friend" was a participant of the fashion extravaganza. What's stranger than Josh Hartnett at a fashion show? **Ashton Kutcher** showing up to work on the set of "That '70s Show" in a long pleated skirt. No joke — it really happened.

Christina Ricci and boyfriend **Adam Goldberg** recently purchased a love nest in the Chelsea neighborhood of New York City. The "Monster" star, who stopped growing at the age of 10, and the "Saving Private Ryan" actor splurged on the impressive penthouse where they've been throwing dinner parties for friends.

How do you get people to pay exorbitant prices for men's underwear? Have celebrities sign them! That's what men's underwear company "2(x)ist" is doing. They have teamed up with the National Prostate Cancer Coalition to host an auction of underwear autographed by celebrities including **Hilary Swank, Nicky Hilton, Brad Pitt, Queen Latifah** and **Antonio Sabato Jr.** The unmentionables will be auctioned off on www.ubid.com at what the company calls a "jocktion." Tres clever!
